SafeUT

***Free & Available through the Google Play Store and Apple App Store**

The SafeUT Crisis Chat and Tip Line is a statewide service that provides real-time crisis intervention to youth (public K-12 and higher education) through live chat and a confidential tip program—right from your smartphone.

Licensed crisis counselors are available 24/7 to respond to all incoming chats, tips, and calls by providing supportive or crisis counseling, suicide prevention, and referral services.

Support is also available to parents and educators of students in public K-12 and higher education.

SafeUNTG

***Free & Available through the Google Play Store and Apple App Store**

An extension of SafeUT, Crisis Chat & Safety Tip app for Utah's Army & National Guard Service members, Family Members & Personnel.

Licensed mental health professionals can assist with a variety of issues including: emotional crisis, grief and loss, drug and alcohol issues, mental health issues, self-harm, suicide prevention, and safety concerns.

PREGNANCY:

Baby Your Baby, Utah Department of Health

<https://medicaid.utah.gov/baby-your-baby/>

Baby Your Baby is temporary medical coverage (Medicaid) for low-income, pregnant women who qualify. Baby Your Baby covers pregnancy-related outpatient services provided by any Utah Medicaid Provider.

WIC—Women, Infants and Children Program

<https://sanjuanpublichealth.org/wic>

435-587-3838

San Juan Public Health, 735 S 200 W STE 2, Blanding

WIC is a nutrition program designed to help low-income pregnant women, new mothers, infants, and children up to age 5 eat well and stay healthy. WIC participants receive nutrition counseling, prenatal nutrition, health assessments, breast feeding support, nutritious foods to supplement diets, information on healthy eating, and referrals to health care services and other helpful agencies.

Mother to Baby

Mother to Baby provides evidence-based information to mothers, health care professionals, and the public about medications and other exposures during pregnancy and while breastfeeding. Mother to Baby experts are available through our confidential, FREE counseling phone service or via text message. You can also email an expert or live chat with us through our website.
